

KIBERA ORPHAN EDUCATION PROJECT

“Helping Children Help Themselves”

Please consider helping these children in Kenya, Africa get an education so as to help themselves break the chains of poverty and provide themselves with a future. This parish program aids these children, who live alone in the Kibera slum and exist on \$1.00 per day or less, to get warm meals, a safe and proper place to live and a high school and sometimes a trade school or higher education.

program*

Signing on as a regular scheduled donor helps us greatly with our planning yet a one-time donation also will help these children immensely, and will be greatly appreciated. Please complete this donor card and put it, along with your check in the collection basket at Mass, leave it in the “donation” basket by the “Kibera” display in the back of the church or mail it to the address on the donor card.

Thank you for your consideration of these children and may God Bless You!
