

Dear Sponsor

How ~~are~~ you? hope you're fine and Okey.

This is SUSAN MURTHEY saying hello to you and with lots of Thanks for all that you are doing to help me have a better future.

The main reason of writing this letter to you! is to say Thanks for attending to my Plea of going to school and so you took the responsibility of paying my school fee and attending to my welfare.

So I promise to make a good report from education by working hard in school to get a good grade and to show you that your money never went for waste it did something better.

Please pass my greetings to everyone in your family and everyone in your church.

bye.

from SUSAN MURTHEY.
